Lawyer/Presenter Reflection Form

We appreciate your feedback to help to improve the program! Please read and write responses to the following questions.

1. Did the students have much information about “trademarks” and “counterfeit products” before the lesson?

2. What parts of the lesson worked well?

3. What parts of the lesson could be improved?

4. What aspects of the program do you think was most valuable for the students?

5. What impact do you think this program had on the students? Do you have any evidence of this impact?

6. Would you teach the lesson plan again? Why?
