## **World Intellectual Property Organization (WIPO)**

**Booth Number: 620**

**Profile:** United Nations' Specialized Agency for Intellectual Property Issues

**Description:** The World Intellectual Property Organization (WIPO) is one of the specialized agencies of the United Nations, dedicated to promoting the use and protection of intellectual property. WIPO administers 23 international treaties, including the Madrid Agreement Concerning the International Registration of Marks and its Protocol, whose objective is to facilitate obtaining international protection for trademarks and its subsequent management. Through its Arbitration and Mediation Center, WIPO also offers procedures other than court litigation for resolving intellectual property disputes, including domain name conflicts. **Website:** [www.wipo.int](http://www.wipo.int)
