Perspectives

Empowering People at WIPO

How is human resources (HR) and recruitment for intellectual property (IP) jobs changing, and what will be the long-term impact of the pandemic on

working in IP? To get some insights into these questions, the *INTA Bulletin* spoke to Adélaïde Barbier, head of HR Planning at WIPO.

INTA Questions 'Visibility' Requirement in EU Design Law in Amicus Brief

INTA filed an amicus brief with the Court of Justice of the European Union in a case concerning a design for a component part of a complex product. The case raises the question of how the "visibility" requirement in EU design law is to be interpreted in relation to such component parts.
