

Join us for the INTA Pro Bono Juneteenth Program!

**CALLING ALL
VOLUNTEERS!**

Date: June 18, 2025 **Time:** 1:00 pm EST **Location:** Online

Join us celebrating Juneteenth with a special clinic focused on supporting Black entrepreneurs and organizations.

This online program is a one-day event designed like a walk-in legal clinic, where qualified applicants from anywhere can consult with volunteer trademarks professionals pro bono.

Volunteers will offer limited-scope legal assistance to unrepresented individuals and organizations with trademark matters, focusing on clearance and prosecution questions globally. INTA members worldwide are encouraged to join for a rewarding pro bono experience! No ongoing commitments or client representation is required.

Relevant Topics Include:

- How to search and register a trademark?
- Understanding the costs associated with trademark protection.
- Dealing with situations where another party is using the trademark you want.
- The duration of the trademark registration process.
- Steps to take if your trademark application is refused by the Trademark Office.
- Renewal procedures for existing trademark registrations.

To volunteer for the **INTA Pro Bono Juneteenth Program**, please register [here](#).

Your participation will make a meaningful impact in empowering entrepreneurs and organizations through trademark assistance.

We look forward to your valuable contribution at this event!
